

Oszi és barátai

Garden Mischief

A black poodle, three feathered friends and a garden full of affectionate misunderstandings. Bold geometric forms, painterly textures and a palette of ivory, cobalt, turquoise, ochre and coral give everyday mishaps a playful, surreal character.

THE FOUR FRIENDS

Oszi - the patient black poodle.
Rico - the confident rooster.
Mila - the caring, practical hen.
Pip - the curious little chick.

AVAILABLE TO REVIEW

Ten garden illustrations and ten short stories in Hungarian and English; one shared-walk artwork; ten product application visuals. Images are AI-assisted digital illustrations and concepts, with stories and art direction by Kamilla Akhmin.

LICENSING · AGENCY REPRESENTATION · PUBLISHING

genedicskamy@gmail.com | kamillaakhmin.com

Portfolio preview. Downloading does not grant permission to reproduce the work. Names are retained across languages; "Garden Mischief" is the English description of the story series.

PARTNER OPPORTUNITIES

Art prints, home décor and textiles, tableware, stationery, gift packaging, accessories and jigsaws. Publishing and story adaptation are further development directions.

DEVELOPMENT & APPROVAL

Product visuals are concepts, not manufactured products. Materials, production files and print suitability require technical review. Product category, territory, term and any exclusivity are agreed in writing. Kamilla retains creative approval; the manufacturing partner develops and finances production.
